

6th June 2007

Dear Parents,

Welcome back to the final half term of this academic year. This half term there are many events planned and a diary is enclosed with this letter.

Sponsored Silence

The children held a very successful sponsored Silence on Friday 25th May. We were all very impressed with the children's ability to sustain silence for the set times. During that week the children received a talk from a visitor with a 'Hearing Dog' for the deaf, and also from visitors in assembly who showed the children the importance of sign language. All of the children were very interested to learn about the impact of loss of hearing on people's daily lives, and the support they need.

The PTA organised the sponsored silence and proceeds raised will be divided between the PTA funds for the library and also the 'Hearing Dogs'. We would be grateful if sponsorship money could be sent to school as soon as possible. Many thanks

Value

Our value for June is Appreciation. We will be focusing on appreciation of the world around us, ourselves and each other including the community in which we live, as well as the appreciation of our worldly possessions.

Class Photo's

The school photographer will be in school on Friday 15th June to take class photo's. Please could the football teams in Years 2, 3 & 4 be in school at 8.45 to have team photo's taken. The coaches for each team are welcome to come along to be with their team. Many thanks

Head Lice

I wish to inform you that there have been one or two cases of head lice. We ask that parents be extra vigilant and check their children's hair regularly. The treatment that is recommended by the school nurse is wet combing. Hair should be washed first and then plenty of conditioner applied. Without washing off the conditioner, comb the hair from root to tip with a detection comb. Continue combing until the comb comes through lice free. This may take 10 minutes. This treatment should be repeated every 3 to 4 days for 2 weeks in order to remove newly hatched lice.

May I thank you for your continued support and should you have any concerns regarding your child please do not hesitate to contact your child's class teacher in the first instance.

Yours sincerely

Lynne Birch
