

Templefield Lower School

Newsletter

May 8th 2008

Dear Parents,

I hope you all enjoyed the Bank Holiday and the beautiful weather. On Saturday we hosted the Templefield Football Tournament for Years 1 – 4. The day was a tremendous success with Y2 and Y3 teams winning their group. Many thanks to all the football coaches who have given their time each Saturday throughout the year. Thanks also to the tournament organisers, the PTA and Cornerstone Church for their efforts, which together contributed to making it a great day for the children and their families.

Parent Questionnaire

Enclosed with this letter is our annual Parent Questionnaire. We would be very grateful if these could be completed and returned to school by Wednesday 21st May. Many thanks

Sun Protection

Please could you ensure that your child has a named water bottle and sun hat in school. We would also recommend that children have sun cream applied before school. If your child has a skin condition which requires a further application during the day please contact the school office to discuss this.

Packed Lunches

Please could we remind parents that sweets are not allowed in school as part of a packed lunch. We would also be grateful if children could bring their own spoon and cups for yoghurt and drinks.

Value

Our value for May is Perseverance. We shall be focussing on stories and situations where characters try to overcome difficulties, never give up and feel valued for their efforts.

Friendship Day

We are celebrating Friendship on Friday 23rd May. Mrs Westcott's class will be performing in their class assembly, which will be based on this theme. We are inviting children to come to school in 'Mufti' on that day, voluntary donations of 50p will be collected and donated to Save the Children's Friendship Day Fundraising.

Head Lice

I wish to inform you that there have been one or two cases of head lice. We ask that parents be extra vigilant and check their children's hair regularly. The treatment that is recommended by the school nurse is wet combing. Hair should be washed first and then plenty of conditioner applied. Without washing off the conditioner, comb the hair from root to tip with a detection comb. Continue combing until the comb comes through lice free. This may take 10 minutes. This treatment should be repeated every 3 to 4 days for 2 weeks in order to remove newly hatched lice.

Yours sincerely

Lynne Birch
