

Templefield Lower School

Newsletter

January 15th 2008

Dear Parents,

This term has started in a positive way, despite so many sickness and flu bugs. The children have settled quickly and are enthusiastic about this term's themes and topics.

Communication Board

During the holiday Mr Jupp erected a large white board under the covered way. We will use this to write messages and reminders for parents, helping to keep everyone fully informed about school.

We have also reviewed the letters that are sent home, and in future these will be on coloured paper as follows:

- Regular newsletters on pale green paper
- Curriculum Information on pale blue paper
- Diary on cream paper
- Trips and extra curricular information on white paper
- Urgent Information on pale yellow paper

We trust that this will help parents to identify the different sets of information more easily, making it easier to check for reference.

All letters will also be available on our school website www.templefield-lower.co.uk

Abubeker Leskela

We are supporting Abubeker a seven year old in Ethiopia. We need to raise £10 per month in order for Abubeker to attend school. We are requesting children bring one 2p coin into school each week in order to raise the necessary funds.

Abubeker is a seven year old boy. He lives with his mother, and has two brothers. His mother sells vegetables at the local market, but does not earn enough to send him to school. Abubeker loves to study and wants to be a teacher when he grows up.

It would be wonderful if we, who are more privileged here at Templefield, could help Abubeker to realise his dream.

Windmill Pre-School

Plans are well underway for this project, and by the time you read this letter the building itself should be erected on its own corner of our field. There is still a great deal of work to do before the Pre-School can open, both indoors and in the surrounding outdoor area. However excellent progress has been made and everyone is working hard to ensure Windmill can have their premises by or shortly after February half term.

Yours sincerely

Lynne Birch
