

19th March 07

Dear Parents,

This term is moving along very quickly with recent weeks being packed with exciting events.

Book Week

We enjoyed a wonderful Book Week and the children responded enthusiastically to both the visiting Storyteller (Vanessa Pearce) and the Poet (Richard Burns). Vicky Fox from the Children's library also gave an informative presentation to Y3 & Y4 on the Virtual Library Services. Throughout the week we ran the Scholastic Book Fair. Thank you to all parents who helped to run this for us. A total of £982.86 was purchased raising a phenomenal £589.72 for books for the school. Many thanks to everyone who supported us.

Healthy Schools Award

On Friday 16th March we were assessed for the Healthy Schools Award. The feedback we received was very good indeed and we are now waiting for confirmation of the award. Once again many thanks to all of those parents and Governors who gave us feedback and worked on the working party. Thanks also to the staff led by Mrs Mallams for their hard work and commitment to ensuring we are a 'Healthy School'.

Brain Awareness Week

Last week was also Brain Awareness Week, led by Mrs Rowe. It was especially good to see so many parents at the workshops, and we hope you both enjoyed them and found them informative. The children especially worked hard and are even more aware of how they use their brain to help them learn.

Reading Scheme

Thank you to all parents who returned the questionnaire giving feedback on the Reading Scheme. We are finding the information you gave us invaluable in helping us to review and update the reading in school. We will give further information on this as soon as we have it ready for you.

Comic Relief

We had a very exciting day in school on Friday and a wonderful £314.96 was raised for Comic Relief throughout the day. The children looked fantastic in their big t-shirts, and the day started with a thought provoking assembly led by Mrs Davies and Mrs Goosen from the Cornerstone Church. From next term we will be collecting 2p pieces in an effort to support Children in Africa throughout the year. The day ended with Y1 giving a super performance of this years Comic Relief song.

Tesco & Sainsbury Vouchers for schools

We are collecting the Tesco Computers for Schools Vouchers and also the Sainsbury Active Kids Vouchers. Collection boxes are in reception until the end of May. Many Thanks
