

19<sup>th</sup> July 07

Dear Parents,

Well here we are at the end of the Summer Term. It has certainly been a successful year for Templefield, with a good Ofsted Inspection, Healthy Schools Award, many sporting achievements, trips to different places linked to the curriculum and performances to name a few.

It is time to say goodbye to our Year 4 children. They have worked extremely hard and have been a real credit to our school. We wish them all every success and happiness in their new school. We would also like to extend our thanks to the parents and families of the children in y4, for their support over the last five years.

We would also like to extend our thanks and good wishes to Mrs Mozley as she embarks on her retirement, and also to Mrs Willis as she prepares for her new baby.

#### Summer Fair

Many thanks to all the parents, staff and the PTA Committee for all their hard work raising funds for the school during the year. The Summer Fair last Saturday was a tremendous success and raised a phenomenal £1700 for the school. Once again thank you everyone for supporting this event.

#### Profile

Our school profile has now been completed and is available via our website:  
www.templefield-lower.co.uk

#### Dinner Money

From September Eden Foodservice take over from Compass Services Ltd. The amount per day remains at £1.60. School dinners for the first half of the Autumn term will be as follows:-

4<sup>th</sup> – 19<sup>th</sup> Oct = 34 days (£54.40), weekly £8, 1<sup>st</sup> week back 4 days £6.40.

Please make cheques payable to: Eden Foodservice to be paid on the first day of the week please. Many thanks

#### Stitch By Stitch

Order forms are available from the school office if you wish to order sweatshirts/Cardigans or polo shirts for the start of the new term. Order forms can be sent direct to Mrs Lowe during the holiday.

#### Head lice

I wish to inform you that there have been one or two cases of head lice. We ask that parents be extra vigilant and check their children's hair regularly. The treatment that is recommended by the school nurse is wet combing. Hair should be washed first and then plenty of conditioner applied. Without washing off the conditioner, comb the hair from root to tip with a detection comb. Continue combing until the comb comes through lice free. This may take 10 minutes. This treatment should be repeated every 3 to 4 days for 2 weeks in order to remove newly hatched lice.

All that remains is for me to wish you all a wonderful summer break and we look forward to seeing you in September.

Yours sincerely

Lynne Birch
